

Convenience Fees for Credit Card Usage

The Board of County Commissioners has signed Resolution Number P007-09 which authorizes the County Administrator to enter a financial arrangement with Point & Pay for collecting a convenience fee for financial transaction devices used to make payments owed the County. This applies to all county agencies and offices.

This includes electronic filing credit card charges.

The beginning date for this change for the e-filing applications was August 1st, 2009. Credit cards to be accepted are American Express, Discover, MasterCard and Visa.

The fee varies according to the amount to be charged and this schedule is listed below.
